home page: http://www.aczoom.com/tools/cdinsert/

Instructions:

1. Cut out the cover insert, on page 1, around the outer perimeter. Do not cut along the center.
2. Fold the cover insert in half, with the text on the outside.
3. Insert the cover insert in the CD case cover.

4. Cut out the tray insert, on page 2, around the outer perimeter.
5. The right-most long narrow title “tab”, on the tray insert, is for CD case with a transparent tray. Remove this “tab” if the CD case has an opaque tray.
6. Fold the left and right long narrow title“tabs” to a 90 degree angle, away from the main tray cover portion. If the right-most “tab” is retained for a transparent tray, fold that “tab” 90 degrees again, away from the title “tab” next to it. The text should appear around the exterior of the folded cover, not the interior.
7. Remove the tray from the case.
8. Place the tray insert in the case.
9. Insert the tray, being careful that the title tabs are flat against the case.

10. Please appropriately discard this portion and the scrap bits of paper.

The Secret Of Lonesome Cove
Samuel Hopkins Adams

The Secret Of Lonesome Cove

A body is found on the beach not far from a New England town one morning. Curiously, nobody recognizes the dead woman, and nobody in or near the town seems to be a suspect in a possible murder, therefore most of them assume that she simply washed ashore from a passing vessel. Only problem is vessels didn’t pass that stretch of the coast because of it’s peculiar tides and eddies; hence its name, Lonesome Cove. Following the finding of the body, the officials of the town start acting a bit peculiar towards how to handle the dead body. The sheriff, the attorney in the town, the village gossip, and even the town doctor all seem to want the identification of the body hushed up. And therefore the body is immediately buried, and the officials hope all will be forgotten and done with. Cause of death: drowning. Enter Chester Kent, who isn’t convinced in the same way that the townspeople are, and is willing to pull at his ear lobe in an effort to determine the identity of the body, and how it came to it’s demise. (Introduction by Roger Melin)
